## **Public invited to meeting about environmental restoration at Fort Wingate Depot Activity**

The public is invited to attend the next Fort Wingate Depot Activity Restoration Advisory Board meeting, hosted by Tooele Army Depot, on Wednesday, Sept. 12, 2001. The meeting will begin at 7 p.m. and will be held at the Church Rock Chapter House in Church Rock, N.M.

The Restoration Advisory Board was established for Fort Wingate to act as a forum for the review of environmental restoration actions associated with Base Realignment and Closure activities. The intention of the board is to promote community awareness by inviting the public to comment throughout the restoration process.

For directions to the meeting location, call (505) 488-5949. For further information about the environmental restoration, please write or call Larry Fisher, Tooele Army Depot, Environmental Office, ATTN: SMATE-CS-EO, Building T-8, Tooele, Utah 84074-5002, (435) 833-3257.
